This course consists of the following units:1. Using devices and handling information2. Creating and editing3. Communicating4. Transacting5. Being safe and responsible online

Modules

Entry Requirements

There

are no entry requirements. You will be required to take an initial assessment to assess your prior knowledge and digital skills. You will then be placed on the appropriate course level.

Your attendance for 4 hours each week is

mandatory and you must complete additional work outside of class time.

To

apply please call the Adult Learning Centre on 01274 088586

Assessment

Teaching

methods include working through online content, small group activities and workshops, practical exercises, demonstrations, one to one support and guidance.

You

will be assessed at the end of the course with an onscreen/online assessment available on demand.

Progression

A digital skills qualification is demanded by many employers and can improve your employability prospects and life in general.

Following

successful achievement, you can further develop your understanding and skills and progress onto digital qualifications at a higher level. It may also support you to progress into or within employment.
